

Electrician, Electronics Technician at SCIPRIOS GmbH

Electrician (m/f/d) | Fürth, DE

About this role

As an Electrician, you will be part of a small, autonomous team working in a product-focused manner with dedicated employees. With a focus on innovation, you will have the opportunity to solve interesting and rewarding problems and be part of the solution in the energy industry. If you are a passionate and collaborative individual looking to showcase your technical skills, this could be the perfect role for you.

Your potential areas of responsibility:

- Installation, wiring, maintenance, fault analysis and ensuring the functionality of electromechanical components
- Creating test, measurement and transfer protocols
- Setting up and converting control cabinets.
- Manufacturing: Setting up and commissioning prototypes.
- Identification of damaged cables, devices or components and repair or replacement
- Testing of complex wiring, clean circuits and ensure functionality.

Competences and skills

- Analytical skills and motivation to learn new topics.
- Responsible and team-oriented working method.
- Knowledge and experience in one of the areas of responsibility.
- Ability to read and understand drawings and circuit diagrams and develop your own strategies for solving problems.
- As an electrician, you are aware of your responsibility and always observe all safety regulations.

Why SCIPRIOS?

We are a great place to work! SCIPRIOS offers an ideal environment for professional development and growth opportunities. As a young and motivated team with roots in materials research, we can help you improve your technical skills. You will have the opportunity to contribute to product development and be part of innovative solutions. We offer many benefits such as flexible working hours, a competitive salary, annual Christmas bonus, 30-day holiday, employee events and much more!

Interested?

If you're ready to be part of the materials science revolution, we want to talk to you! Please send your application with a cover letter and your interests and skills to careers@sciprios.de.
